Dear Parents and Carers,

We welcome all families back after the holidays and wish all students the very best for Term 4. We also welcome new families to our school and trust that all feel welcome and happy at Allendale. We are very impressed with all of our students in full uniform who have made a wonderful start to the term with their learning and positive behaviour.

Pre-primary Swimming Lessons

The 9 day In-term swimming program is very important for Allendale students. Please support this by paying the money and preparing bathers/towel/goggles etc. Dates are 3- 13 December. We hope that all families can support this program. Information and forms will be sent home shortly.

3Up's Program

Thank you to all parents who have actively supported our 3Up's program throughout the duration. We are now utilising the early childhood classrooms for the next five weeks so that all students become familiar with the learning environment. Please note that Wednesday 7 November is the last session of 3Ups for the year. Kindergarten packages, stationery requirements and uniform lists will be sent out when finalised.

Showcase

This year we have 6 different performances for the Midwest Showcase event on Friday 26 October at Queens Park Theatre including instrumental music, DIDGE Group and three larger items including a Room 3 Basketball group, Room 9 Trolls and The Greatest Showman for our senior students. Tickets are now on sale at QPT.

PINK for PIP Telethon Fundraiser

On Thursday 18 October we are raising money for Telethon by hosting a fundraiser to support all Telethon families. Pippa and her family are involved with Telethon and we wish to support her with fundraising as much money as we can. Come along at 10.30am wearing pink and be part of the fun. All students are asked to wear something pink.

Yours sincerely,
Lisa Criddle
