### We're Going Back To School

Dear Parents and Carers,  
**Welcome back to Term 3**

The July school holidays looked much different to the April school holidays with the easing of restrictions, so I hope you and your family were able to enjoy a break through this period.

Term 3 will be a very busy time but also provides us with many exciting opportunities. Our Athletics Carnival has been given the green light to go ahead, which I know will bring joy to all of our students as they cheer on their faction to victory. In addition, this term will also host the cross country, book parade, school photos and NAIDOC Week, to name a few. All staff are looking forward to another great term at Allendale Primary School.

#### Assembly

Next Friday 31 July is Room 4's Assembly. This will be a special Assembly, as it will be our first face to face Assembly since Term 1 and the first opportunity we will have to meet as a whole school in many months. We welcome parents to the school for this assembly, but remind to parents of our requirements to have one adult visitor per two square metres in the hall, as we abide by Government standards. This will mean a limited capacity for parents to attend.

#### 100 Days of School

We are looking forward to this event taking place at school next week on Tuesday 28 July. Entries can be dropped to your child's classroom in the morning and they will then go on display for the school to view later in the day.

**100  
DAYS OF  
SCHOOL!**

#### 2021 Applications

Allendale is now taking Kindy enrolments for 2021. Please see the front office staff to get an application form.

#### Parents at School

Thank you to the community for continuing to abide by the Education Department regulations of not entering into classrooms. This is helping to keep our staff and students safe.

#### School Development Day

The School Board has approved a School Development Day in Week 8 on Friday 11 September. This means that students will not attend school on this day so alternative care arrangements will need to be made by all families.

#### School Banking

School Banking will be up and running again on Friday's 8.00 - 8.30am with Miss Edwards in the Library.

*Yours sincerely*
