**2nd - 6th November**  
Book Fair

**Tuesday 3 November**  
Public School Review  
Validation Day

**Wednesday 4 November**  
Year 6 Headspace Workshop

 Allendale Primary School

Dear Parents and Carers,

Welcome back to all of our lovely families, caregivers and community members to what is certain to be an extremely busy term. On Monday at our staff development day, staff had an opportunity to reflect on 2020 so far and discuss its challenges and successes. I once again wish to take this opportunity to publicly acknowledge the tremendous hard work, resilience and determination our team have shown throughout the year. The results are evident not only in our student's day to day successes but also in the efficiency of our office procedures, continued improvement to our school grounds, community engagement in school events and high impact best practice teaching in class rooms. Their efforts are much appreciated.

### Public School Review

On Tuesday November 3 representatives from the Department of Education in Perth will visit our school to conduct our three yearly Public School Review. Public School Reviews provide feedback to principals, their staff and the school community to help improve school performance. They also add to existing quality assurance measures. Our Executive team are extremely excited to have the chance to share our school's recent educational journey and have been working long hours to provide the review team with evidence of all of the great things that happen at our school every single day. Some parents and community members may be approached to be involved with the review on this day. Please contact me if you believe you have a story to tell that will positively contribute to the review.

### Open Day

Our students and teachers are thrilled to be able to showcase their teaching and learning to parents, family and community members at our annual open day on Monday October 26. From 3.30pm – 5.30pm classrooms will be open across the school for parents/caregivers wishing to view student's work and talk to the classroom teacher regarding their progress. The event will be COVID-19 aware with hand sanitiser available at the entry and exit points and limited capacity for smaller classrooms. Further information regarding this event will be released through our school Facebook page.

### Assembly

Our first Term 4 assembly will occur next Friday October 23 with Room 6 presenting an item and running proceedings. Assemblies for Term 4 will be in Week's 2, 5, 6, and 8 with the end of year concert happening on Wednesday of Week 10. A parent version of the school planner can be found in this newsletter.

*Yours sincerely*

*Chad Barnes*
